Dear Parents and Carers,

It was wonderful to have so many parents join us for Seahorse's class assembly this morning. They put on a fantastic performance giving us a snapshot of their learning this year. We were so impressed with their beautiful Andy Warhol inspired artwork and their geographical knowledge. They shared some interesting facts about some of their countries of origin and impressed us with their knowledge of the seven continents. They also shared a video of their recent visit to Nower Wood. It looked like they had such a fun day. A huge thank you to Miss Ahmed and Mrs Rodo and to all of the parents for joining us today. The children were so proud of themselves and ran to give Miss Ahmed a huge class hug after everyone had left.

Our Reception children have been learning all about animals and their habitats this term. They were very excited to have a visit from the Zoo Lab this morning who had a selection of small animals for the children to handle and learn about. They were very brave!

The hall was full of activity on Tuesday morning for the DUG market. The children enjoyed making a special gift and card for their Dads, Uncles or Grandads. Thank you so much to all of the parents who came to help and make this such a special occasion for the children.

On Tuesday evening we had the PTA meeting to look at past events and those coming up. Plans are well under way for this year's Fun Day on Sunday 30th June. This is always a lovely family event and this year we will be extending an invitation to Cleves families. We hope you are able to come along.

Have a wonderful weekend.

Tanya Mooney
