

OATLANDS SCHOOL STREET DANCE CLUB

FOR YEARS 1 & 2!

I currently own one of Surrey's leading dance schools.

There is great experience to be shared, with performing professionally alongside some great artists.

Street dance and Break dance techniques will be taught throughout the term.

There will be end of term performances for parents to see what their child has been learning.

A great way for children to build on:

- confidence
- balance
- core/strength/gross motor skills
- team building
- co-ordination
- musicality
- communication

The Street Dance club will take place every Monday (Year 1) and Tuesday (Year 2) unless there is a bank holiday or inset day, 3pm - 4pm. The sessions are booked termly and payment will need to be made to secure your child's space.

Your child will need a change of clothes, not their PE kit.

Children will be escorted by an adult from their class to the hall and parents will pick up from the front school entrance at 4pm. Oscar club children will be assisted by the staff at Oscar club.

If you wish to sign your child up for the Street Dance club, please fill in a registration form online. This can be found on the school's website.

Please send your registration form to Laura Thomas through email ltd89@hotmail.co.uk.

If you have any questions, please contact me through email.

Kind regards,
Laura Thomas.
